CEAI's mission is "To Encourage, Equip and Empower Educators according to Biblical Principles." We are the only professional association serving Christians called to serve in public schools.

CEAI is a non-profit religious association. Our support is through memberships, tax-deductible donations and grants. CEAI membership consists of teachers, administrators, para-professionals including any person hired by a school district. In addition, we offer associate membership to parents, pastors, school board members, youth leaders and others concerned or interested in the education of our children.

CEAI is a leader in promoting the rights of religious persons in public education and in providing benefits for educators (including professional liability insurance).

CEAI is on the leading edge. . . encouraging Christians to be "Salt and Light" in public education. We encourage the local church and community to be an active participant and supporter of public schools, and a return to Judeo-Christian values which promote character education and core values.

To help fulfill the ministry and mission of CEAI a multitude of our services and resources are available to encourage, equip, and empower all Christians called to serve in education and all friends of education.

Prayer Network: [Fellowship And Christian Encouragement \(FACE\)](#)

FACE exists to encourage and pray for educators and their schools. *FACE* is entering their tenth year of serving God by equipping Christian educators to start and sustain a prayer and encouragement group at their schools with weekly devotionals and prayer support.
